

Voyager Academy High School Choral Arts & Instrumental Programs

Voyager Academy High School Choral Arts & Instrumental Programs have a long-standing tradition of excellence in performing, both on the stage as well as off. The opportunity to experience the thrill of performance is something that the students will remember all of their lives. "Bull City Lights" is an advanced, award-winning Show Choir & Concert Choir and "Vocal Affinity" is an All-Girls Show Choir & Concert Choir. Both are accompanied by "Bull City Sound" Voyager's all-student band.

In the Spring of 2020, both choirs & the band will be competing in multiple competitions! Our funding from the school helps cover some of our costs but it does not cover everything that we need to perform and maintain our music program. Students are responsible for all other expenses related to competing at this level: costumes, hotel, meals, travel, lodging, etc. In addition, we have group expenses that include choreographer fees, props, music, chaperones, licensing & arranging fees, etc.

We are seeking sponsors to help offset the competition related expenses for 80+ deserving music students.

The funds raised through sponsorship will cover trip related expenses for the students and directly help each student to pay for their planned trips in North Carolina, Virginia, West Virginia and Ohio next Spring. Any donation is greatly appreciated and a tax deductible receipt will be issued to each generous donor upon request.
