### Student items will be personal preferences of the students

1. Headphones/earbuds \*needed for all classes\* that plug into chromebooks (regular audio jack)
2. **Small bookbags** (so they fit in lockers) - we use chromebooks, not textbooks. A book bag that holds one large (or three small) binders, a pencil case, and composition notebook is sufficient.
3. Locker lock
4. Mouse (if preferred)
5. Personal Computer: 6th grade is a BYOD grade level (Bring Your Own Device). We maintain a computer [purchasing guide here](#).

### Specific Classroom Wish Lists

(Will be added for school year 2023-24 as we get closer)
